

Prairie Heights Elementary School

Excellence in Education - Preparation for Life

Reading and Writing Curriculum

Grade K-5

2024-2025

In accordance with IC 20-26-5-44.2, school corporations are required to report information regarding the curriculum being utilized during Language Arts instruction. All of our implemented curriculum is aligned to the Indiana Academic Standards.

Our primary K-5 Language Arts curriculum is Open Court published by McGraw Hill. The curriculum is newly adopted and will be implemented at the beginning of the 24-25 school year. This curriculum is based on Science of Reading data and is included in the IDOE's approved curriculum list.

To build foundational reading skills in alignment with science of reading, Prairie Heights Elementary has implemented Heggerty's Bridges to Reading and The Secret Stories for both general education and remedial settings. During the 24-25 school year, our literacy committee will be reviewing the curriculum utilized within the intervention setting to ensure we are best meeting the needs of all students.

Please contact Mr. Wesson with any questions or concerns regarding the curriculum utilized at Prairie Heights Elementary School.
